Predictions – předpovědi

Where will you be in ten or twenty years from now?

1. Where will you live?

I will live in ...

2. Where will you work?

I will work ...

3. What do you want your partner to be?

I want my partner to be ...

4. What do you most want to be?

I want to be ...

4. At what age will you do these things?

- learn to drive ...
- start work ...
- get married ...
- have children ...

5. What do you think you will see in your lifetime?

- we will find life on other planets
- people will take holidays in space
- people will live on Marse

→ **I think** **My friend thinks ...**

I think I don't think I hope	(that)	I will be people will ... doctors will ... we will travel ...
Will you be famous? Will people have flying cars? Will doctors find a cure for cancer? Will people live till they're 120 years old? Will we travel to other planets? Will there be another world war? Will aliens visit the Earth? Will you find the girl or boy of your dreams?		

Write an essay about yourself:

When I grow up, I want to be,
because I think I will live in
....., because

I want to have

I want to be and I want my
partner to be

I don't think

In the future the world
